

Communists Break Off Cease-Fire Negotiations In Korea

JUDGE BROWN WILL SPEAK AT INSTITUTE HERE

Judge Gay H. Brown, former New York state supreme court justice, will be the principal speaker for the Adams County Teachers Institute, to be held at Gettysburg high school, September 4.

Judge Brown will speak at the morning session at 9:45 o'clock on the subject: "Wanted, Not Mice, but Men." In the afternoon he will speak again at 3 o'clock on "Free Enterprise, Catchword or Philosophy."

The speaker was for several years chief counsel of the New York Public Service Commission. He is affiliated with several fraternal organizations.

The institute will open at 9 o'clock at the high school. Dr. George T. Miller, chief of art education, department of public instruction, Harrisburg, will address elementary school principals and teachers from 10:40 to 11:50 a.m. on "Art and the Child's Creative Education."

Other Speakers
Secondary school principals and teachers will have as their speaker, during the same period, Harvey A. Heintzelman, chief of occupational information and guidance, Harrisburg, whose talk will be on child guidance.

V. A. Martin, advisor, agricultural education, Harrisburg, will talk to the county's vocational agriculture and GI agriculture class instructors on "What's New in Vocational Agriculture," between 10:40 and 11:50 a.m.

The institute dinner will be held at St. James Lutheran church, York street, between 12:15 and 1:45 o'clock. Instructors, retired teachers, Gettysburg borough teachers, speakers and guests have been invited. Ten school buses will be used to transport teachers and others from the high school to the church and return them to the school after the banquet, because there is not sufficient parking space at the church for private automobiles.

Will Pay Teachers
Teachers attending the institute will be paid \$10. Payment will be based upon the official attendance reports made by the county superintendent to the respective school boards. Teachers absenting themselves from the institute will forfeit \$10 to the board employing them. Those having work to do at the South Mountain Fair are asked to do it on Labor day or after the close of the institute.

All teachers of Adams county and Gettysburg have been invited by Miss Carolyn K. Morton, president of the Southern PSEA convention district, to attend the Southern PSEA convention to be held in the William Penn high school, York, October 12.

Second Institute Day
In accordance with this invitation, October 12 has been designated by J. Floyd Slaybaugh, county superintendent of schools, as the second institute day for Adams county, and all teachers attending morning and afternoon sessions in York will receive an additional \$10.

Enrollment fees for the two days of the institute are as follows: NEA dues, \$5; PSEA dues, \$5; local PSEA dues, \$2; education bulletin, 25 cents; banquet ticket, \$1.50; institute dues, \$1.25, total, \$15.

BURY SOLDIER HERE TUESDAY

Funeral services for Pfc. Edgar H. Kauffman, Gardner R. 2, who was killed at the age of 19 while fighting in Korea last September 10, will be held Tuesday at 1:30 p.m. at the Bender funeral home. Interment in the National cemetery.

The body of the young county soldier is due to arrive here Friday. It was among a large group arriving in San Francisco this week.

Pfc. Kauffman was a native of Adams county, a son of Mr. and Mrs. Guy R. Kauffman, Gardner R. 2. He enlisted January 17, 1949, and after training at Camp Pickett, Va., was sent to Korea in August, 1950.

In addition to his parents he is survived by six brothers and sisters, Charles, Gettysburg; Guy R., Jr., and Cleason, at home; Mrs. Gordon Massey, Carlisle; Ruth and Donald, at home.

WHEELBARROW IS STOLEN
Robert Berkheimer, East Lincoln avenue, reported to borough police Wednesday that a metal wheelbarrow was stolen from his backyard Tuesday night.

Polio Strikes Entire Family

Fort Worth, Tex., Aug. 23 (AP)—A family is in a hospital polio ward here.

Mrs. Lester Huelon Collier was stricken five weeks ago. The next day her four-months-old baby son was brought to the hospital. Two days later the father joined them.

Collier is in an iron lung. The wife and baby are in adjoining rooms.

But Mrs. Collier is cheerful about it. "Considering everything, we're getting along fine," she said. "I hope we'll all be going home together soon."

GHS WILL SELL RESERVED SEATS FOR GRID TILTS

As the result of a flood of requests from local, as well as visiting fans, a committee of the Gettysburg high school athletic council decided at a meeting this week to offer reserved seats to the public for the coming football season.

The reserved seat section on the home side of the field will be located immediately in front of the press box and will be for 200 spectators. Reserved seats for the visitors, located at the center of the field on the south side, will be sold for games as needed.

\$4.50 For Five Games
The price for the five home games will be \$4.50, tax included. A chart for the selling of the reserved seats will open at the high school office on Tuesday, September 4. The purchaser of a reserved seat season ticket will occupy the same seat for each game.

Each Monday prior to a home game remaining unsold reserved seats will be placed on sale at \$1 each at the school office and will be available until the following Friday at 3:30 p.m.

It was pointed out today that the new plan for reserved seat sales was not a money-making venture but one aimed primarily to accommodate local fans.

General admission for games will again be 75 cents for adults.

New Fire Engine May Arrive Soon

The Gettysburg Fire company's new 750-gallon Mack pumper, ordered in April, may be delivered within the next few days, Burgess William G. Weaver, who is also president of the fire company, said today.

Word has been received, the burgess said, that the truck has been completed and shipped. It will reach Harrisburg by freight, and be driven from Harrisburg to Gettysburg, the burgess said. Its cost is approximately \$16,000.

ATO CONTINUES CONFERENCES ON "LEADERSHIP"

The sixth annual ATO chapter officers conference continued into its third day today on the Gettysburg college campus as 225 undergraduates from 113 American and Canadian colleges and universities attended sessions designed "to make better leaders of them."

"Community Service"
Today Stewart D. Daniels, executive secretary of the fraternity, spoke on "The Chapter and the National Office." Dean A. Ray Warnock of Pennsylvania State college, chairman of the National Interfraternity conference, will speak at tonight's dinner meeting.

Wednesday's program was highlighted by a panel discussion on "Community Service" in which delegates from Cornell university, Baldwin-Wallace college, Indiana university and the University of South Carolina told what their chapters had done to replace the old-fashioned "Hell Week" stunts of the past.

The panel, led by R. E. Broderick, New York city, district officer of ATO in New York, and Robert J. Simonds, Champaign, Ill., managing editor of The PALM, ATO quarterly, brought out the many projects ATO chapters have undertaken in changing "Hell Week" to "Help Week." Among testimonials offered as proof of the value of the new-type program were several letters from university presidents, who praised Alpha Tau Omega for its lead in substantial "service for savagery."

LOCAL WOMAN TELLS OF FLYING TRIP TO TURKEY

The Women's Civic Council has received its first report from its "foreign representative," Mrs. Ralph Stiller, former resident of Gettysburg, who left on May 13 to join her husband in Turkey. Mrs. Stiller was a representative of the Eagles auxiliary on the civic council before her departure and was asked to consider herself the council's "informal foreign representative."

Her first letter is headed "Traveling with the Women's Civic Council Foreign Correspondent in Turkey," and was written from Ankara on August 7. It is as follows:

"We took off from Idlewood airport at 4 p.m. May 13. Flying conditions were wonderful, never a bump, perfectly clear weather all the way, and a very enjoyable trip all the way, even though there were but two Americans on the plane. After leaving New York, never more than two hours apart meals or snacks were served by KLM. The crew of ten never once considered a person's waistline."

Lose Five Hours
"We lost five hours coming over the ocean. Our first stop, of one and a quarter hours, was at Shannon, Ireland. Coffee was served and there was plenty of trinket buying, but no sightseeing. Our next stop was at 2 p.m. in Holland. I never saw so many bicycles in my life, and how those people do ride. They have an art of their own swinging and swaying, arm in arm, up and down the streets without accidents."

"Our sightseeing trip was made by boat, due to every other street being a canal. The flowers made a person breathless with their beauty. One thing lacking in Holland — no soap. Leaving Holland our next stop was Munich, Germany. Here again coffee was served with a rest period of about an hour. No trinket buying because the airport was being re-modeled. The flight time from Holland to Istanbul was four and three-quarters hours. Again we set our watches ahead two hours and arrived in Istanbul at 10:30 p.m."

THREE PLAYS FRIDAY NIGHT AT FAIRGROUND

The complete casts for the three one-act plays to be given Friday evening at 8 o'clock at the South Mountain fairgrounds by the Little Theater Group of Adams county under sponsorship of the Adams County Home Auxiliary have been announced.

All of the plays are being prepared by local directors and the talent comes from Adams county. Adults will be charged 50 cents and children 25 cents.

Mrs. Bryce Jacobsen is directing the first play, "Don't Feed the Animals," by Ben Wellington and the cast includes Wayne Weagley, Pat Killalea, Jack Thrush, Sylvia Warren, Ann Haenn, Madeleine Killalea, Priscilla Markley, Mary Drew and Mrs. Raymond F. Sheely.

Committees Assist

Fred G. Pfeiffer is directing George Kelly's "The Flattering Word" with a cast of five, Harold Ecker, Mrs. R. W. Gifford, Mrs. Wilmer Roth, Elise Scharf and Arthur Roth.

John Drew will be director and one of the actors in the third production, "Two Parts Love," which has been adapted by Mara Evans Stearns. Ruth Longenecker is cast in the only other role in the play.

Three committees are at work preparing for the plays: Publicity, Pat Killalea, Wayne Weagley and John Drew; properties and scenery, Jim Tyson, Wayne Weagley, Harold Ecker, Edwin Shoop and Jack Thrush; and arrangements, Mrs. Wilmer Roth, Meredith Derek and Ann Haenn.

Two Motorists Are Fined By Justice

James A. Conyus, Jackson Heights, N. Y., paid a fine of \$5 and costs to Justice of the Peace Robert P. Snyder early today on a charge of failing to stop for a red blinker light on Steinwehr avenue.

Henry B. Broadford, Black Mountain, N. C., was fined \$10 and costs by Squire Snyder on a charge of reckless driving. Both charges were filed by borough police. Authorities said both men were attending the ATO fraternity conference at Gettysburg college.

Notice to the Public: Robert C. Walters has rented his barber shop in Biglerville to Mr. Fred Baker, an experienced barber, and extends his thanks to his many customers and friends. We hope you will continue to patronize this shop. Three barbers at all times. Haircuts will remain at 50c.

MECO Uses Radio In All Vehicles

David A. Noel, Hanover street, first class lineman for the Metropolitan-Edison company here, is shown radioing orders to another truck crew on duty in the county.

LOCAL UTILITY USES RADIO IN CARS, TRUCKS

Installation of three-way radio sets in Metropolitan Edison company cars and trucks operating out of the Gettysburg office was announced recently by Richard E. Dreas, manager of MECO's Gettysburg district.

MECO is utilizing the system to give better service safer and more economically by combining radio with motor vehicles. The network provides a method of communication which makes it possible to use modern transportation facilities to the fullest.

Small, powerful sending and receiving radio sets have been installed in trucks and in the automobiles used by other local MECO officials. The land station broadcasting to these mobile units is located in York and has a power of 60 watts. It is capable of transmitting signals over a 40-mile area. The company has other such land stations in other divisions and district headquarters throughout its territory. York is headquarters for the Western Division.

Saving Of Time
Chief benefit of the radio system is the saving of time.

"Minutes are precious when poles and tangled wires have been knocked across a highway by a careening car, or when high winds have blown a television aerial across high tension wires," Mr. Dreas said. "In times like this, as well as in the everyday job, MECO makes the most of its three-way radio system. Men working near a trouble spot can be contacted by radio and dispatched to the scene of the trouble. Employees who encounter unusual problems can call for aid and instruction. Additional supplies can be sent directly from headquarters, saving the time a truck might require to drive in from a distant job."

"Crews working in various locations can contact each other by radio. The inter-truck communication is especially valuable as a safety (Please Turn to Page 3)

PEDESTRIAN IS INJURED
William Small, night clerk at the Hotel Gettysburg, suffered a minor injury to his hand at 8:40 o'clock Wednesday night when he was struck by the car of Mrs. Ruth Wisler, 785 Baltimore street, while crossing Carlisle street at Lincoln Square, according to a report made by Mrs. Wisler to borough police today. He was treated at the Warner hospital.

Declares One-Time White House Aide Helped With Red Article
Washington, Aug. 23 (AP)—Louis Budenz testified today a 1942 Communist article, which he called the opening gun of an attack on State Department figures unfriendly to the Soviet Union, was prepared "through arrangement" with Laurence Currie, then a White House aide.

The article was published in the Daily Worker, Communist newspaper. Budenz was on the paper's staff at that time. He since has renounced communism and is now on the faculty of Fordham university.

Budenz gave his testimony to the Senate Internal Security subcommittee. The group is looking into the question of whether there have been subversive influences on U.S. foreign policy.

Publication of the article, Budenz said, led to a meeting between the then Communist leader Earl Browder, and Under Secretary of State Sumner Welles.

One typical blast, Budenz said, was a Daily Worker article captioned "the sinister A. A. Berle (an assistant secretary of state)," whom the article called an "anti-Soviet intriguer in our State Department."

At this meeting, the Daily Worker reported, Welles gave assurance the United States would not favor Chinese Nationalists against the Chinese Reds.

Budenz said that, talking later with Browder, he received "very strongly, the impression x x x that this was all arranged in advance."

Browder said the two incidents marked the start of a campaign by the Communists against State Department figures "unfriendly to the Soviet."

Farm Agency Heads Will Meet Friday

A meeting of the heads of all the farm agencies with representatives of farm organizations and farm connected organizations will be held at the Production and Marketing Administration offices, 146 York street, Friday night at 8 o'clock.

Attending will be representatives of the county fruit growers, poultry raisers, 4-H clubs, FFA, and representatives of such groups as the women's clubs and service clubs. The purpose will be to outline the work of the various federal agencies and seek comments on how they are doing their work.

The meeting, called by the County Agricultural Mobilization committee, also seeks to interest farmers and others in a county-wide meeting to be held September 11 at the court house.

Emmitsburg QUEEN CONTEST FOR OLD HOME WEEK CLOS

The queen contest for the Old Home Week celebration at Emmitsburg has closed with more than 20 entries and the queen will be selected in the near future, Harold Hoke, Homecoming parade committee chairman, reported to a "dress rehearsal" meeting of the Old Home Week and Carnival committees Wednesday evening in the Emmitsburg fire hall.

Edgar G. Emrich, co-chairman of the celebration committee, presided at the meeting with about 50 persons in attendance. Reports for the historical display committee were made by Col. Thomas J. Fraley for the chairman, Mrs. Lawrence Orendorff, indicating a "greatly increased interest" in that part of the celebration.

Many Units For Parade
Mr. Hoke's report as parade committee chairman showed that a good number of drum and bugle corps, bands, fire companies with apparatus, marching units and floats already have entered the parade which will be held Thursday, August 30, the opening day of the Old Home Week celebration. More parade entries are expected, Mr. Hoke stated.

It was announced also that Frederick County Sheriff Guy Andrews will be the chief marshal for the parade and that the following have (Please turn to Page 2)

Quality Tomato Crop Is Predicted

"The 1951 tomato crop in Adams county will be better quality than in 1950. Good weather at planting time is the major cause although fair growing weather since is a factor. Quantity will not vary as much from 1950 as might have been expected. Good size and color are the chief points of improvement and give promise of a high quality pack," said Don Horst, crop supervisor at the C. H. Musselman company, Biglerville.

When asked about prices Mr. Horst pointed out that processors had been delayed in announcing prices by the delay in receiving the directive for tomato juice from the Office of Price Stabilization. "While this is for figuring the allowed price of the finished product, it naturally affects the price paid the grower since the cost of the raw product is the major item in the processors' cost," Horst said.

RICHARD DREAS IS COUNTY HEAD FOR STATE WEEK

Appointments of an Adams county and a regional chairman for the 1951 observance of Pennsylvania Week this fall were announced today.

Edmund W. Thomas, president of the First National bank and vice chairman of the Pennsylvania Week committee, in charge of the east-south central, west-south central and north-south central regions, announced that W. H. McElwain, general manager of the western division of the Metropolitan Edison company, York, has accepted the appointment of regional chairman for the east-south central district.

Dreas Is Appointed
The appointment was made by Mr. Thomas. Mr. McElwain in turn appointed Richard E. Dreas, local manager of the Metropolitan Edison company, as Adams county chairman.

Mr. McElwain will be in charge of Adams, Cumberland, Franklin, Dauphin, Juniata, Perry and York counties.

Pennsylvania Week observances this year will take place on the community and county levels. Mr. Thomas said, with the stress being placed on national defense and the part Pennsylvania communities are playing in furnishing the sinews of war. There will be no Pennsylvania Week Special railroad train.

VISITORS VOICE COMPLIMENTS ON BOOTH SERVICE

The information booth in Lincoln Square is not to be confused with the office of the county board of elections in the court house, but a youth stopped at the booth recently and asked:

"Is this where I register? I am 21 years old now."

The opinions of visitors to Gettysburg and the battlefield as expressed on the visitor registration cards at the booth are both interesting and varied. A New Yorker said Gettysburg through these eyes: "Fine, clean and quaint."

"I certainly feel that the merchants of Gettysburg should be complimented for providing such a helpful service," said a Salsburg, Md., visitor. A Decatur, Ill., resident wrote, "Every citizen should visit Gettysburg."

Many Are Pleased
The National Park Service came in for its share of compliments. One visitor wrote: "Very beautiful, and the monuments are exceptionally well-kept."

A Brooklyn resident thought that free stickers should be provided for automobiles, but a McKeesport, Pa., man said "The information service is complete." "The girl at the booth was very helpful," said an Atlantic City traveler.

Since the information booth opened on June 23, a total of 4,928 parties have visited it, seeking information. During the past week there were 678 parties from 40 states, the District of Columbia, Canada, England, Japan, Canal Zone, Germany and Hawaii. During the week a party registered from Casper, Wyo., which makes the 48th state registered.

COUNTIAN IS FINED

Lloyd Herring, Biglerville R. D., charged with disorderly conduct by a neighbor, Mrs. Isabella Kump, pleaded guilty to this charge Wednesday night before Justice of the Peace John H. Basehore, and paid a fine of \$5 and costs.

ENROLLED AT PENN STATE
Richard C. Codori, son of Mr. and Mrs. Richard Codori, North Stratton street, and Miss Barbara I. Yoder, daughter of Mr. and Mrs. Elmer J. Yoder, Biglerville, have been enrolled at Penn State college. Codori is a graduate of Delport Catholic high school and Miss Yoder graduated from Biglerville high school.

Reds Charge Allies Bombed Kaesong; Americans Assert Entire Affair Is "Frame-Up"

Tokyo, Aug. 23 (AP)—Gen. Matthew B. Ridgway said tonight that Communists must have decided to break off Kaesong truce talks even before they charged an Allied plane bombed the truce city.

In a statement issued at midnight (9 a.m. EST), the United Nations commander said the Red action breaking off the talks came so quickly after the alleged bombing that it must have been decided in advance.

He said the decision could be made only by a high level of the Red command. It was delivered only a few hours after the asserted incident by a Red liaison officer.

Made Early Decision
Ridgway's words were:

"As had been brought out before, the decision to declare all meetings 'off from this time,' which required a decision from a high level command, could not have been arrived at and transmitted to Colonel Chang, Communist liaison officer, for delivery to the United Nations command liaison officers, in the interval from 2320 (11:20 p.m.) on August 22 to 0145 (1:45 a.m.) on 23 August."

It was apparent the U. N. commander meant that the decision to call off truce talks had been made some time before U. N. liaison officers were called out of their beds in the dead of night and brought to Kaesong to investigate the alleged bombing.

Find No Damage
Ridgway's statement continued: "The alleged bombing incident revealed no damage to any building, to personnel or to crops in the area."

"Colonel (Anthony J.) Kinney, an experienced air officer, was certain that the hole, 24 inches in diameter and 12 inches deep, pointed out to him by the Communists as a result of the attack could not have been a bomb crater."

"Colonel Kinney agreed with Colonel (James) Murray that the hole might have been the result of a hand grenade explosion present in the ground."

No Possible Evidence
The U. N. commander said the on the spot investigation also failed to disclose any evidence of an actual bombing.

"Their investigations revealed," his statement continued, "no scorched area which normally results from napalm bomb detonation or any visible sign of a bomb crater which could have been caused by the alleged attack."

"The flush riveted piece of metal which was identified by the Communist liaison officer as part of a napalm bomb utilized in the attack is not of the (type of) construction used by the United Nations command as flush riveting is not employed in the manufacture of napalm tanks. They are of rough construction, more economically produced since they are used only once."

TO LAY CHURCH CORNERSTONE
A cornerstone-laying service will be held Sunday afternoon at 2:30 o'clock by the Centenary EUB church, Biglerville, in the Biglerville community building where the congregation is now worshipping.

The Rev. J. B. Reed, Jr., pastor of Lohr's EUB church, Hanover, and vice president of the board of missions of the Pennsylvania conference, will be the speaker. At the conclusion of the services in the community building the congregation will go to the site of the new church for a cornerstone ritual at which the Rev. Mr. Reed will preside.

Attending the services will be representatives from the church councils of the Biglerville Lutheran and Biglerville Reformed churches.

The Rev. Paul Lantz, pastor of the Mummastown Mennonite church, will assist in the program. The choir will sing "Be Still My Soul."

The Rev. Laverne Rohrbach is pastor of the Centenary church.

ENROLLED AT PENN STATE
Richard C. Codori, son of Mr. and Mrs. Richard Codori, North Stratton street, and Miss Barbara I. Yoder, daughter of Mr. and Mrs. Elmer J. Yoder, Biglerville, have been enrolled at Penn State college. Codori is a graduate of Delport Catholic high school and Miss Yoder graduated from Biglerville high school.

BLUE-GRAY BANDSMEN
Concert, tonight, V.F.W. Carlisle St., full uniforms. Clarinet-trombones especially please be present. Make this season's best!

Munsan, Korea, Aug. 23 (AP)—Communists abruptly broke off Korean war cease-fire talks today—"from now on." But Red China's official radio indicated the breakdown was only temporary.

The excuse for the Red action was a reported air attack on Kaesong, site of armistice negotiations.

The U. N. command called it "a frameup staged from first to last."

Notification of the breakdown came from a lower echelon Chinese liaison officer. Three hours after the asserted bombing he announced all meetings were off.

But hours later Red China's Peiping radio, reporting the action, made no mention of a permanent breakdown. It said only that Thursday's meeting of a truce subcommittee was cancelled.

U. N. Officials Hopeful

North Korea's Pyongyang radio said the Reds would consider the Allies don't want to continue truce talks unless the U. N. command makes a "satisfactory and sincere reply" to Red charges of neutrality violations.

High ranking officers of United Nations command headquarters in Tokyo said the break was "by no means permanent."

It was the fourth break in talks; the second by the Communists.

Reds broke off the talks shortly after midnight on the grounds a U. N. plane had bombed, fire-bombed and strafed Kaesong shortly before midnight.

FINAL RITES FOR VET ON SUNDAY

Funeral services for Sgt. Floyd A. Markle, son of Mr. and Mrs. Clayton Markle, Smith's Station, Hanover R. 3, who was killed in action in Korea February 10, will be held Sunday afternoon at 2 o'clock at the Bucher funeral home, Hanover. The Rev. Harvey M. Light, pastor of the Reformed congregation of St. Paul's (Dubs) church, of which he was a member, will officiate. Interment in the cemetery adjoining the church.

The body of Sgt. Markle will arrive in York at 12:08 p.m. Friday, accompanied by a military escort. The ceremonial detail of Hanover Post 2806, Veterans of Foreign Wars, will be in charge of the military rites to be conducted at the graveside and will furnish the honor guard during the services.

Sgt. Markle was inducted into service on December 27, 1948, at New Cumberland, received his basic training at Camp Pickett, Va., and received special training at El Paso, Texas. He was assigned to duty in Puerto Rico and then returned to the United States where he served at several army camps before going to Japan September 1, 1949. He was later transferred to Korea.

He was a member of Company A, Third Anti-Aircraft Artillery battalion, Third Infantry division, when he met his death in the Korean fighting.

Surviving besides his parents are three sisters and one brother, Mrs. Bernard Hess, Littlestown R. 1; Mrs. William Reschard, and Miss Nancy Markle both at home; William Markle, Hanover, and his grandmother, Mrs. Edward O. Geiman, Hanover R. 3.

THREE BRIDGES NEED REPAIRS

The Adams county commissioners inspected nine county bridges in Adams county Wednesday, and found only three in need of minor repairs.

Harry Ecker, who resides near Roth's Mill bridge in Butler township, was employed to fill in the approaches at this structure.

Arrangements will be made later to replace a plank in the wooden bridge, No. 106, between Tyrone and Huntingdon townships.

The commissioners found that new guard rails are needed on a bridge over Twin Bridges and will have this work done. No one has been employed yet.

Other bridges were found to be in good condition, the commissioners reported.

The commissioners also approved a county aid grant of \$189.36 to York Springs borough for repairing 1,884 feet of highway in that borough.

Booth Staff

The following persons will serve at the information booth in Lincoln Square Friday, Saturday and Sunday:

Friday: 9 a.m. to noon, Mrs. Harold Culp, St. Francis Xavier Mother's club; noon to 3 p.m., Mrs. Mark K. Eckert, Woman's club; 3 to 6 p.m., Mrs. Paul L. Roy, St. Francis Mother's club; 6 to 9 p.m., Mrs. Robert Codori, St. Francis Mother's club.

Sunday: 9 a.m. to noon, Harry C. Lackner, noon to 3 p.m., Dawson Miller; 3 to 6 p.m., H. T. Stauffer, 6 to 9 p.m., Raymond Fridinger.

Martinsburg Moose Defeat Locals 4-3

The Gettysburg Moose Softball team was subjected to a bit of hurling similar to that exhibited here during the state tournament last week-end as it lost a 4-3 decision in 10 innings to the Moose team of Martinsburg, W. Va., on the Recreation park field Wednesday evening.

Brashers, second Martinsburg hurler, exhibited dazzling speed which the local team found difficult to hit. He whiffed seven batsmen in the last five innings.

The Moose scored three runs in the last of the fifth inning to take a 3-2 lead. However, the visitors tallied a run in the seventh to knot the score and then pushed over a run in the 10th to win.

COUPLE IS MARRIED

Ralph Edward Hoffman, Dillsburg R. 1, and Miss Shirley Mae Starnier, York Springs R. 2, were married Tuesday at Franklin church, Dillsburg R. D., by Rev. Samuel M. Clarke, according to a marriage return filed by the pastor with the clerk of the courts here.

STOCKS ADVANCE

New York, Aug. 23 (AP)—The breakdown in the Kaesong armistice talks provided the background for a substantial advance today in the stock market. The forward movement extended to between \$1 and \$2 a share among active leaders. There were backward areas, but losses were small. Steels, aircrafts, copper mining, and oils went ahead fairly strongly while motors, distillers, radio-television, motion pictures and building material issues lagged or sagged.

Lost Pocketbook Is Returned To Visitor

An Illinois couple who visited Gettysburg Wednesday on a vacation trip and lost most of their money, had it returned to them through the efforts of the borough police.

The couple employed a battlefield guide, who took them over the field in his own automobile, police said. When they returned to the starting point, the couple got out of the guide's car to return to their own.

Later the woman discovered that she had left her purse, containing most of the money, on the back seat. They did not know the name of the guide, but gave police a description of the car. The pocketbook was found where it had been left, on the rear seat, police said.

Honor Jim Thorpe In Carlisle Today

Carlisle, Pa., Aug. 23 (AP)—This central Pennsylvania community rolled out the welcome carpet today for a local boy who made good—world famous athlete Jim Thorpe.

Gov. John S. Fine of Pennsylvania and his two young sons also were on hand to shake hands with the Redskins who used to play football for the old Carlisle Indian school.

The occasion has to do with the showing here of the Hollywood movie, "Jim Thorpe, All-American," and the unveiling of a Jim Thorpe plaque on the court house lawn.

Other guests beside the governor included Actress Phyllis Thaxter, who is co-starred with Burt Lancaster in the film biography of Thorpe's life, Singer James Brown and Larue Martin, 17-year-old Indian princess from Oklahoma.

Thorpe last year was named the athlete of the half-century in a poll by the Associated Press.

Scouts To Help

Dr. John J. Dillon, reporting for the carnival committee, said Thornton Rodgers and Paul Keepers would collect the money from all the stands and concessions each night. The Boys and Girl Scouts would help with ticket sales and taking tickets for the rides. It was announced that James Hayes offered to furnish and install all the needed cooking equipment and furnish the gas for the entire carnival.

The carnival committee announced the names of those who have been appointed to be chairmen of the concessions. The chairmen of each concession is charged with having the general management of the concession and securing the help necessary to carry the concession through the entire carnival.

Concession and chairmen follow: Can pitch, Paul Humerick; duck throw, Shorty Hartigan; fish bowl, John Hollinger; string game, John Roddy; pitch, Scouts; milk bottle, John Hollinger, Jr.; wheel, Ev. Chrismer; dart game, Clarence Hahn; hoopla, Frances Myers; novelties, Scouts; big party, Guy Baker and Lewis Stoner; glass throw, Robert Stonesifer; food, VFW and Legion auxiliaries and Women's club; ice cream and pop, Lewis Bell; barbecue, Walter Simpson and Grange; popcorn, Dorand Brothers; treasurers, Thornton Rodgers and Paul Keepers; electric installation and service, Ralph McDonnell; rides, Mrs. Frank Westler and Girl Scouts; watchers, Johnny Bowers, Jackson Hummerick and Harvey Warner; exhibit tent, Cloy Seiss.

More Exhibit Space

Mr. Seiss stated that all space in one large tent was already taken for exhibits but that other tents would be erected if others desired to place exhibits during the celebration.

Mrs. Andrew Eyster, in charge of the advance ticket sale for the Chautauqua home talent show, announced that all organizations are asked to sell tickets and that a loving cup would be presented to the one selling the most tickets.

A motion was unanimously passed to include a pet parade the afternoon of Saturday, September 8, sponsored by Lawrence Orendorf. The ground committee asked for volunteer workmen to turn out Friday morning to help get grounds ready and booths completed.

Decorating Streets

The committee in charge of town and street decorations reported that the street decorating has started and will be completed this week by the Mundorf Signs of York. All business places and residences are urged to decorate as soon as possible for the Old Home Week. Prizes will be given for the best decorated residence and business place. The historical book committee reported that a 68-page history and picture booklet will be ready for sale by the beginning of the celebration.

Commander Hoke of the VFW thanked all who helped make the ambulance fund block party a success and offered all the material that they had to the carnival committee for use during the celebration of Old Home Week.

Crown Queen August 30

It was announced that some misunderstanding was current about the Chautauqua show receipts. The contract is a "50-50 one" and the Community Hall association will receive half of all receipts above expenses from the "Crazy Daze" show including the banner money and all advertising.

The entertainment and program committee report was made by Samuel Hays, who reported that practically all arrangements have been made for the entertainment and that there will be outstanding entertainment every night and many of the days during the entire celebration.

The first event will be the coronation of the queen at 6 p.m. Thursday, August 30, followed by the parade at 6:30 p.m.; carnival and concert by the Hagerstown band; official opening of Old Home Week by Mayor T. W. Rodgers at 8 p.m. and awarding of prizes at 10 p.m.

SOUTH VICTOR IN STAR GAME

Between five and six hundred fans attended the Pen-Mar Baseball league all-star game held Wednesday evening at Littlestown, the South team defeating the North, 5-1.

The South team was composed of players from Maryland teams and the North of players from Pennsylvania.

Hersh, Westminster, was the winning hurler, and Lefevre, McShertown, was the loser. The winners scored five hits and committed one error while the losers rapped out seven hits and had three miscues.

It was decided to stage two more games between the teams, to make it a best-of-three series. The second game will be played next Wednesday evening at 8 o'clock at Littlestown.

Bream Softball Team Is Honored

Twenty-two persons attended the dinner given Wednesday evening at the Shetter House by Glenn L. Bream, sponsor of the Bream garage softball team, in honor of his team which won the regular season and playoff honors in the local Softball league this summer.

Team members, league officials, umpires, Henry T. Bream, coach at Gettysburg college, and Ernie Kranias, sponsor of the Texas Lunch team, attended.

Mr. Bream lauded his team on its performances and paid tribute to all those taking part in making the league a success.

"Hen" Bream spoke briefly in congratulating both the team and league officials in supplying local fans with fine ball and entertainment throughout the season.

MAXIM RETAINS TITLE IN WIN OVER MURPHY

New York, Aug. 23 (AP)—Joe Maxim settled the world's lightweight crown tightly on his swarthy brows today by virtue of his surprising 15-round decision over free-swinging Irish Bob Murphy.

It was a case of boxing science versus brawling and science won.

Three tough challengers await Maxim. Most probably the champion will fight Bob Satterfield in Chicago December 7. There is talk of a fight in London with the British champion, stocky Don Cockell. And out on the Pacific coast there is Harry "Kid" Matthews, who, his supporters claim, is the best of the lot.

The action-packed fight in Madison Square Garden last night came as a shock to the experts, who picked Murphy to win and made him the 12-5 betting favorite. This was Maxim's first defense of the title since he won it 19 months ago in London from Freddie Mills.

"About the seventh or eighth round I thought I had things under control, but he scared me every round," said Maxim afterwards.

"I felt very strong, but I just didn't have that teeny zip you need," said Murphy. "I had him sick plenty of times. If it hadn't been for the ropes he would have gone down in the first round, and if he had gone down I think I might have finished him."

From the fifth round on Murphy fought with his right eye almost closed, peering grotesquely out of his left but wading in fearlessly, and taking repeated sharp combination punches to the head and body. Murphy wanted to fight at close range and was willing to take cruel punishment to do so. Maxim managed to keep him at a distance at least half the time, and hurt him both from short and long range.

There was no argument over the decision. Referee Ruby Goldstein scored it 10 rounds for Maxim, three for Murphy and two even; the judges, Harold Barnes and Charley Shortell, made it 10-5; the Associated Press scored it 11-4.

The reason Murphy was the big favorite was simple. Last May 30, Maxim, swollen up to 181½ pounds, was mercilessly beaten by the then heavyweight champion, Ezzard Charles. He needed oxygen afterwards. He got down to 173½ pounds for this fight, one pound lighter than Murphy. And it looked like too great a strain.

The surprise came when Maxim took all that Murphy could throw, held him off in neat and artistic fashion, made him swing wild, and peppered his head and body. Maxim did not escape unhurt. He was bleeding at the nose after the first round, and his left hand was damaged early in the fight.

"I never did think I could knock him out," said Maxim in heart-felt tribute to his tough foe.

As for Murphy, he was cheerful in defeat although his right eye was closed tight, hidden under an egg shaped mass of purple. He plans a long vacation from the ring.

The fight did well, drawing 9,525 who paid \$48,148. And there was an additional \$100,000 from television and radio. Maxim gets 40 per cent of the net gate and the same percentage of the TV and radio income. Murphy's share of each is 20 per cent.

STEELERS DOWN YANK CRIDERS

Pittsburgh, Aug. 23 (AP)—Joe Geri threw two touchdown passes and Lynn Chandois another to give the Pittsburgh Steelers a 21-17 victory over the New York Yanks in a National Football league exhibition game last night at Forbes Field.

Elbie Nickel was on the receiving end for the first two while Joe Gasparella took the third. Geri converted all three points.

The Yanks' Nat Johnson place-kicked three points in the second quarter and his team-mates scored two touchdowns in the closing period. New York 0 3 0 14-17 Pittsburgh 0 0 13 7 0-21

4 TEAMS ENTER SEMIFINALS IN LITTLE SERIES

Williamsport, Pa., Aug. 23 (AP)—Four teams from Connecticut, West Virginia, Texas and California entered the semi-finals today of the little league world series.

Stamford, Conn., meets Fairmont, W. Va., in the first encounter. The second pits San Bernardino, Calif., against North Austin, Tex. The losers meet tomorrow in a consolation game while the winners play for the championship title Sunday.

San Bernardino hammered out a 5-1 victory over Chicago yesterday with Pitcher Ernie Gonzales striking out 17 Windy City batters. He hurled hitless ball until the fifth and helped his own cause with a fourth inning homer.

Gordon Sloan also homered for the Californians, his blast coming in the fifth with none aboard.

Chicago caught San Bernardino by surprise in the last inning, pulling a double steal and depriving Gonzales of a shutout. Chicago's second hit of the game and a walk set the stage for the razzle-dazzle play.

Ray Hendricks went the route for Chicago and was tagged for 10 hits.

North Austin, Tex., southeastern champions, defeated Portland, Me., 3-1, with Lee Kitchen and Greg Martin hurling hitless ball until the final inning. A pair of unearned runs sewed up the game for the Texans in the third. They added another tally in the fourth on Kitchen's two-out single.

Break Hitless Spell

Portland broke its hitless spell in the sixth inning when the New Englanders collected a pair of singles for their lone run. Dick Williams, Portland's starting and losing pitcher, belted home the run with a solid double.

ALL-AMERICAN BALL TOURNEY IN 4TH ROUND

Johnstown, Pa., Aug. 23 (AP)—Eight teams, each with two victories, clash in the fourth round of the All-American baseball tournament today.

Four of the opposing teams have won two games and lost none: Brooklyn, the defending champion, vs. New York city; Maryland State vs. Baltimore.

The other four teams have won two games and lost one: Pittsburgh vs. New Orleans and Washington vs. South Amboy, N. J.

Baltimore put on two big five-run innings yesterday to wallop the powerful New Orleans nine, 13-5. Pitcher Jeff Schmidt choked the Louisianans off with five hits. Southpaw Bob Hinton allowed only two hits as Washington drowned Amsterdam, N. Y., 11-0.

John Malagone, New York left-fielder, hit his second homer in two days to help his team defeat Buffalo 14-7. Maryland got four runs without a hit in the fourth inning to beat Pittsburgh 5-3.

Other second-round scores: Brooklyn, 8; Johnstown, Pa., 2; Zanesville, Ohio, 7; Wilkes-Barre, Pa., 6; Holyoke, Mass., 8; Springfield, Mass., 5; South Amboy, 3, and Pittsfield, Mass., 2.

Third-round scores: New Orleans, 16; Holyoke, Mass., 4; Pittsburgh, 14; Zanesville, Ohio, 0; Washington, 12; Buffalo, 8; South Amboy, 17, and Johnstown, 9.

Eight of the 16 starting teams were eliminated in yesterday's play: Amsterdam, Buffalo, Holyoke, Johnstown, Pittsfield, Springfield, Wilkes-Barre and Zanesville.

Byrne Walks 16

The Red Sox won out in the 13th when Brownie Tommy Byrne granted a single and four walks.

Byrne walked 16 during the game. Leo Kiely was the winner.

In the National league, the Brook-

lyn Dodgers captured a day-night doubleheader from the St. Louis Cardinals, 4-3 and 8-7. The runner-up New York Giants ran their winning streak to 11 games by defeating the Cincinnati Reds, 4-3. The Philadelphia Phils downed the Chicago Cubs, 4-0, and the Boston Braves edged the Pittsburgh Pirates, 4-3 in ten innings.

Both Dodge victories were ten inning affairs. Clyde King won both games in relief to boost his record to 14-5.

Robin Roberts blanked the Cubs on five hits for the Phils. The triumph was Robert's 17th and his sixth shutout. Sibby Sisti scored the Braves winning run against the Pirates from third base on a wild pitch.

Manager Al Lopez will shoot Bob Lemon (14-9), Early Wynn (14-11) and Mike Garcia (17-8) against the defending champions. Bob Feller (20-5), of course, is in reserve.

The Yankee pitching plans are not formidable. Vic Raschi (17-7) will face Lemon today. Jack Kramer (1-3) is scheduled for Friday night's game and Ed Lopat (15-7) is slated to work in the series finale Saturday.

Allie Reynolds (12-7) originally was scheduled to go Friday night, but the fast-balling right-hander worked four innings yesterday as the Yanks dropped a 7-6 12-inning decision to the Tigers. Kramer started the game and lasted less than two innings.

The Indians rested their big four yesterday and gambled with rookie Bob Chakales against Washington. Chakales didn't last but the Indians pulled out a 6-5 14-inning victory to increase their lead to two games.

Bob Avila homered with two out in the 14th off Sandy Consuegra to give the Indians the edge over Washington. Dale Mitchell sent the game into overtime for the Indians with a three-run homer in the eighth.

The victory was the Indians' 18th in their last 22 starts and their 15th straight at home. Steve Gromek pitched the last seven innings and allowed only three hits to pick up his sixth triumph.

In other American league games the Philadelphia Athletics swept a two-hit doubleheader from the Chicago White Sox, 5-2 and 8-1, and the Boston Red Sox beat the St. Louis Browns, 3-1, in 13 innings.

Bob Hooper stopped the White Sox on eight hits in the opener and Sam Zoldak limited Chicago to six hits in the second game. Gus Zernial homered in each game for the A's to boost his output to 27, tops in the American league.

Cleveland's electrifying stretch drive for the American league pennant enters another critical stage today as the Indians clash head on with the runner-up New York Yankees.

The Indians, out in front by two games, have three of their aces ready for the invading Yankees, who limped in from Detroit.

Manager Al Lopez will shoot Bob Lemon (14-9), Early Wynn (14-11) and Mike Garcia (17-8) against the defending champions. Bob Feller (20-5), of course, is in reserve.

TWENTY YEARS AGO

Move To Gettysburg: Mrs. Anna M. Heintzelman and son, of Chambersburg, have moved to Gettysburg and will make their home with the former's parents, Mr. and Mrs. C. C. Bream, East Middle street.

School Board Elects Two New Teachers: The Gettysburg school board at a special meeting Friday night elected two new teachers. Miss Clara Baker, of York, will be the new Latin and English instructor. Miss Anna Mumper, of Springs avenue, will fill the post of art supervisor, a new department at the high school. Both teachers' salaries were fixed at \$1200 by the board.

Fairfield Is Defended in Mimic Battle: The 260th Coast Artillery Anti-Aircraft Unit, of Washington, D. C., in command of Major Walter W. Burns, spent Thursday night and Friday in Fairfield and its environs. The artillery consists of 285 men and 25 officers.

It was the plan of the commanding officer to execute maneuvers while in Fairfield, to defend the town from hostile aircraft.

The gun batteries were placed at strategic points near the town, but owing to the "low ceiling" in air-plane parlance, it was considered impracticable for planes to cross the mountains Thursday night.

Attend Legion Sessions: Mr. and Mrs. Howard Hartzell and daughter, Miss Lena, Mr. and Mrs. James Howe, Mr. and Mrs. Dorsey Rebert and Norman Tate left Wednesday morning for Easton where they attended sessions of the annual state convention of the American Legion as representatives of the Albert J. Lentz American Legion post and auxiliary here.

Mr. Rebert, Mr. Howe, Mrs. Hartzell and Mrs. Howe were official delegates to the convention.

Elected To Two Offices: Henry M. Scharf was elected vice president and a director of the Hotel Gettysburg company, succeeding his mother, who expired July 8.

Miss Gettysburg Tells Of Visit In Southland: Miss Carolyn Cole, the Narrows, who was selected as Miss Gettysburg, in a popularity contest conducted by the Majestic theatre and who returned recently from Miami, Florida, recounted her experience in the south to an audience at the Majestic theatre Wednesday night.

The high light of her trip, she told the audience, was an airplane ride from Miami, Florida, where she spent the major part of her visit, to Havana, Cuba.

Friday Miss Cole escorted Miss Hazel Bream and Miss Dorothy Knox, second place winners in the contest, to Philadelphia, where they were guests at the Mastbaum theatre. Joe E. Brown appeared in person at that theatre.

Local Elks To Attend Confab: Many members of the Gettysburg lodge of Elks will attend the silver anniversary of the establishment of the Benevolent Protective Order of Elks in Pennsylvania when a four day round of business, social and sports activities opens in Harrisburg Monday.

The official representatives of the Gettysburg lodge are C. H. Wilson, H. H. Miller and J. E. Codori, while the alternates are W. J. Weikert, J. A. Holtzworth and R. M. Bushman. Any other members are expected to attend the social activities.

Install Organ In Funeral Home: An automatic organ has been installed in the Bender funeral home for services to be held in the future in the chapel. The installation was announced by H. B. Bender, who pointed out that the chapel is now one of the finest in this section of Pennsylvania.

The organ occupies one of the three chancels in the front of the chapel the other two being reserved for the minister and the casket.

By GEORGE MATTHEW ADAMS

BREAD

From our earliest reading and teaching, bread has been referred to as "the staff of life." But all the time the millers keep whittling down that staff until it keeps getting weaker and weaker. I refer to the processing that gives to us the least nourishing of the wheat, reserving that for the live stock, which they fatten with the real germ of the wheat and then sell back to us in the form of meat. It would be better if we had that whole, nourishing grain in the first place.

You can't "enrich" on nature. When she produces she gives her all and her best. She balances her products in the perfect proportion. Man tries to improve on many of these, and I regret to say it is done mostly for profit in money and not in health. Take a seed, for example. Plant it anywhere in good soil, here in America or in Africa, and the result is the same. It grows, and comes out the same flower, grain, or fruit, no matter where planted. Nature's chemicals are there in the soil in the right combination. Wonderful, isn't it?

Why do we try to run God's laboratory, anyway? People who fool around in the wrong shop often run into some combination that spells danger, and perhaps tragedy. We have a long way to go before we have conquered cancer, heart disease, and many another stubborn enemy to health, without spending billions to perfect a formula that will, or might, put an end to all life as we have known it for thousands of years. Diabolical is a mild word to express the senselessness of all international wars. Never can there be any peace in the world until war is outlawed, the same as all crimes.

Wars and their aftermath have cost billions and enslaved untold numbers of human beings. This, while millions of other human beings are crying for bread—any kind of bread, preferably bread that will not only give nourishment to the body, but that will put a little warmth into the soul! Bread, not bullets. Human beings were not created to be shot, disfigured, and given over into agony and despair. Nothing in this enlightened age can justify war—any war!

Tomorrow Mr. Adams will talk on the subject: "The Wind."

Merely to remind you,

PA. GOP WOMEN PROPOSE SALES TAX FOR FUNDS

Harrisburg, Aug. 23 (AP)—The Pennsylvania Council of Republican Women today proposed enactment of a sales tax to solve the commonwealth's revenue problems.

"A broad-based tax, such as a sales tax, seems the fair solution at this time," the council said in a legislative letter to its members.

Although the council did not specify a particular rate, it suggested that food, drugs and "certain necessities of life" be exempted from a sales tax.

Cite Three Reasons

The council cited three reasons for enactment of a sales tax:

- (1) "It will take care of the income tax evader, such as gamblers and racketeers."
- (2) "It will provide an income from the tourist's trade and equalize the sales tax Pennsylvanians pay in other states."
- (3) "Payment of a sales tax will make citizens conscious of the cost of government."

Assail "Civil War"

"Furthermore," the letter said, "it

leaves the decision to buy or not to buy up to the individual. A long time ago the American way of life gave the individual first consideration."

The council attacked what it described as "a civil war" between Republican Senators and their counterparts in the House. The House, which has passed the one-half of one per cent income tax, has refused to accept a senate-proposed \$138,685,000 compromise tax program.

"House members feel that they have been sold out by the Senate and do not feel that they are under obligation to submit to the substitute tax program inasmuch as it is in the house that tax measures originate," the letter added.

MAY SIGN OLEO BILL ON FRIDAY

Harrisburg, Aug. 23 (AP)—Gov. John S. Fine is expected to sign a bill tomorrow permitting the sale of colored oleomargarine for home use throughout Pennsylvania.

But as Keystone state housewives awaited their first chance in history to purchase yellow oleo a lawmaker warned that the new legislation "conflicts with the pure food law."

"This is the best oleo bill I have ever seen," commented Sen. George B. Scarlett (R-Chester). "It gives

Scarlett is chairman of the powerful Senate Agriculture committee which suddenly approved the oleo legislation after rejecting many other oleo bills in this and other Legislature sessions.

A source close to the governor disclosed last night that Fine would sign the measure which gained final legislative approval on Monday.

The announcement came after the bill cleared the office of Attorney General Robert E. Woodside where it had been checked for its constitutionality, spelling and grammar.

Washington, Aug. 23 (AP)—A congressman is paying his own way to the Japanese peace conference for the avowed purpose of heckling the Russians if they make trouble.

Rep. O. K. Armstrong (R-Mo.) announced yesterday he will attend the September 4 San Francisco meeting in an unofficial capacity to "take on x x x Gromyko and company x x x if they start any long-winded propaganda talks."

Armstrong said he will be loaded with enough material to talk a solid week if necessary. His material includes seven pointed questions he believes will make the Reds' faces red.

TURNPIKE WILL BE EXTENDED TO 1100-MILE ROAD

Harrisburg, Aug. 23 (AP) — Pennsylvania's mushrooming toll road system will cover more than 1,100 miles of the Keystone state when present plans for extension are carried through.

And the hub of the entire Pennsylvania turnpike network may be Harrisburg, political capital of the commonwealth since 1812.

A Turnpike commission spokesman said that although a definite route has not been laid out, a proposed northeastern extension from the present 270-mile route could begin just east of the capital city.

Another extension is planned to begin south of Harrisburg and run to the Maryland border, to connect with a toll road that may be built in that state. The bill has passed the Senate.

Link with U.S. Capital

Such a highway would link the Pennsylvania state capital with the federal capital at Washington, D. C., as well as provide easy access to new underground department of the army installations being built in the Fountainsdale area.

Ten million motorists and truckers are expected to pay tolls on the turnpike this year. That's just between Philadelphia and Pittsburgh. No one can say what the total will be when all proposed additions are completed.

Holding first priority in turnpike plans is a 40-mile extension from the eastern terminus at King of Prussia, near Philadelphia, to the Delaware river to connect by bridge with the New Jersey turnpike.

Enabling legislation already has been passed by the 1951 Legislature and signed by Gov. John S. Fine.

Meanwhile, the Turnpike commission has announced that the remaining 56-mile stretch from Pittsburgh to the Ohio border should be opened to the public by the end of October. The first 11 miles of this western extension opened on Aug. 7.

Probably the most ambitious of all commission plans is a northern Pennsylvania turnpike, which would run from the Erie area to connect with the proposed northeastern extension.

An enabling bill sponsored by northern Pennsylvania senators is now on Gov. Fine's desk awaiting signature. The northeastern extension bill which also has passed both houses replaces a 1949 act authorizing a Scranton extension.

The 1949 Legislature also passed a law to permit a turnpike connection between Pittsburgh and Erie.

If plans materialize the turnpike finally will resemble a gigantic rectangle within Pennsylvania paralleling roughly the general oblong shape of the state — but with links going off to New Jersey, New York, Ohio and Maryland.

Mercersburg Track Star Hit By Polio

Syosset, N. Y., Aug. 23 (AP) — Henry Thresher, a Mercersburg, Pa., academy track star, was stricken with polio 10 days ago, it was learned today. His condition is improving.

Thresher planned to enter Yale this fall. He held the national indoor championship for the 100-yard dash two years in a row, and also took the Metropolitan New York junior and senior championships for the 100 and 220 yards.

Paris, Aug. 23 (AP) — The Paris Weather bureau, looking on the bright side of things after the almost constant cold and rain of this summer, issued this forecast today: "Good weather, cloudy."

to be seen, all types of dress here, the same as in the Spanish countries. There are but two classes of people, rich and poor. The rich dress much the same as we do, the poor in rags with patch upon patch.

"Thursday at 9 a.m. we started our 12-hour car ride for Ankara. The mountains were covered with full-blooming trees and flowers. The roads were narrow and dusty and the speed of the car about 35 miles an hour. There were army camps all the way.

No Screens On Windows
"Passing through small villages we saw all types of bright colored baggy pants, long black dresses and heads covered. Most of the houses are made of mud bricks. No furniture can be seen from the open doors. All windows are without screens, and therefore plenty of flies.

The drawing card for the flies is the fuel supply just outside the door. The fuel here is not coal. The children follow the cows, picking up the manure and making cakes with their hands. The cakes are lined around the fence in the sun to dry.

Ankara has many more modern buildings than Istanbul, beautiful parks and flower gardens. The people dress the same as we do, their fashions are taken from our Sears,

Roebuck catalogues. In the library you find most any sales catalogue and these are studied by the Turkish people.

Penny Cop On Duty
"We have a Pennsylvania motor policeman here trying to help the traffic problem. No horns are allowed to be blown. At one time they were used like toys. Now the taxi drivers use their fists on the sides of the cars. Very few cars are owned by Turkish people but there are about 5,000 taxicabs. However, many Americans have brought their cars with them.

"Through the month of July the Turkish people fast, no food, drink or smoking from sunup until 8:20

p.m. However, when the sun goes down in the evening they are all sitting at their tables waiting.

"The bread is carried unwrapped from the stores, so we Americans usually have newspapers with us. In my next report I will tell of some of the interesting places visited in Ankara."

SPECIAL STUDY ON TAX JAM TO START MONDAY

Harrisburg, Aug. 22 (AP)—Speaker Herbert P. Sarg (R-Elk) said today a special House committee will start next Monday on the job of charting a new compromise tax program.

"If we are unable to reach some sort of an agreement in four weeks, then we should give up and adjourn," said Sarg to a newsman.

Pennsylvania's lawmakers recessed Tuesday until September 17 after reading a new stalemate in a long series of setbacks on taxes.

Sarg heads an eight-man committee set up by the House Republican caucus to frame some sort of a revenue-raising program to fill a \$111,000,000 gap in Gov. John S. Fine's \$1,220,000,000 budget.

Delay Reapportionment
The deficiency was created by refusal of Senate Republicans to approve Fine's proposal for a one-half of one per cent income tax after it had passed the House last April.

Senate efforts in preparing a \$138,685,000 substitute tax program were rebuffed by House rejection of the package. It included new levies on tobacco products and real estate transfers and increased taxes on corporate net income, beer, cigarettes and gross receipts of public utilities.

Meanwhile, Chairman G. Graybill Diehm (R-Lancaster) of the Senate Reapportionment committee said the problem of congressional reapportionment will also be put over because of the September 17 recess. He had originally planned to introduce a bill today to lop off three seats to reduce Pennsylvania's delegation to Congress to 30 in conformity with 1950 population changes.

Ohio Bill Gets Checkup
Diehm said his committee proposes to knock off two Republican seats and one Democratic place. They include the 15th district repre-

sented by Rep. Alvin Bush, Muncy Republican; the 14th district, a seat formerly held by the late Rep. Wilson D. Gillette, Towanda Republican, and the 33rd district represented by Mrs. Vera Buchanan, McKeesport Democrat.

On another front, the state Justice Department scrutinized legislation to permit the sale of yellow oleomargarine in Pennsylvania. Already passed by the legislature, the bill was sent to Attorney General Robert E. Woodside for a checkup before going to Gov. John S. Fine for signature.

The lawmakers, before recessing yesterday, moved to cut down legislative expenses by laying off 156 day-to-day employees of the House and Senate until the Legislature reconvenes September 17. The saving was estimated at \$1,376 a day.

Abbottstown

Abbottstown — Mr. and Mrs. Grove Haines and family, Chevy Chase, Md., spent the past week at the home of Mr. Haines' mother, Mrs. Helen Haines. They will leave New York city today on the Queen Mary for Italy. Mr. Haines has accepted a position in Italy for a year.

Mr. and Mrs. Wilhelm and family spent their vacation in Canada and at Niagara Falls.

A special collection was taken Sunday in Emmanuel Reformed church to establish a memorial scholarship for Japanese girls in honor of Mrs. Dobbs F. Ehlman, wife of a former pastor, who contracted infantile paralysis while a missionary in Japan which left her badly crippled and the effects of which caused her death several months ago.

Truman Asks Huge Flood Relief Sum

Washington, Aug. 22 (AP)—President Truman has asked Congress for \$400,000,000 to help the flood-battered middle west and to finance a new national flood disaster insurance program.

He told Congress in a message Monday the situation was a "grave emergency" and asked that the money be provided as quickly as possible.

Vice President Barkley promptly referred the request jointly to the Senate Public Works and Appropriations committees to speed action. Ordinarily each would study the matter separately.

The relief money would be used to pay flood victims of Kansas, Missouri and nearby states for part of what they lost in the July floods; to guarantee liberal loans for rebuilding homes, farms and factories; and to help states and cities participate in the rehabilitation activities.

the fruit of unceasing labor

BETWEEN 1911 and 1935, a brief span of twenty-five years, extraordinary progress was made in public health. According to figures released by the Metropolitan Life Insurance Company, the duration of human life during this period was extended by almost fourteen years. It is all the more remarkable in the light of the history of this period, which included the first World War, the worst epidemic in recent history, and America's most severe depression.

Many agencies have contributed to make America a more healthful place in which to live. Not the least of these are scientific medicine and pharmacy, which work unceasingly for better methods of prevention and treatment of disease.

"INDIANS" DO CHIEFS' WORK AT PENTAGON

By DON WHITEHEAD
Washington, Aug. 23 (AP)—Scratch through the high military brass these days and you'll find that America's defenses are in the hands of the "Indians of Ulcer Gulch."

By way of explanation, ulcer gulch is the maze of concrete and marble known as the Pentagon.

And the Indians are the anonymous junior officers who work out plans and some of the recommendations of which the Big Chiefs make their final decisions of things military. These juniors poke fun at themselves as "the coordinators of confusion."

All Indians Or Chiefs
Technically, everybody at the Pentagon who isn't a chief is an Indian. But there is an inner circle among the Indians whose special knowledge, skills and training make the wheels turn more smoothly.

They're the idea men. They are the men coming up the ladder whose names one day will carry the handle of general or admiral. Right now they are the bricks-and-mortar boys in the business of rebuilding the nation's army, navy and air force.

One expert on the vast Pentagon reservation says: "There are 20,000 guys working here—but if you want anything done you've got to see one of about 14 men."

"Too Calm" Now
The Indians don't make the final decisions—but they get their satisfaction from seeing their ideas accepted and made a part of the defense effort.

You can take a reading on the temperature of the hot and cold days and the high brass by looking at the indicators which the Indians keep in their offices.

These indicators can be set at any one of eight positions—static, smooth sailing, too calm, minor flap, flap, super-flap, frantic, and chaos.

Right now the gauge reads "too calm." Means anything can happen and everybody is on the alert.

How A "Flap" Develops
On Indian said a flap develops in this way: "The Big Chiefs have a problem and they bat it around for days. It goes through four echelons and finally it gets to us—and they give us only 24 hours to get it done."

More Comfort Wearing FALSE TEETH

Here is a pleasant way to overcome loose plate discomfort. FASTEETH, a... improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, soapy, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

Happy Is The Day When Backache Goes Away . . .

Nagging backache, loss of pep and energy, headaches and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffer nagging backache—feel miserable. Minor bladder irritations due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys. If these conditions bother you, Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's give happy relief from these discomforts—help the 12 miles of kidney tubes and filters flush out waste. ERLE R. DEARDORFF,
Attorney in Fact for the heirs of Mary E. Deardorff, deceased.

Eugene R. Hartman, Attorney.
D. Edwin Benner, Auctioneer.

Then it's a flap."

The Indians came into being about the time of Pearl Harbor when it seemed everybody around headquarters was the chief of a branch or a section of some sort. The workhorses said: "Too many chiefs and not enough Indians."

The chiefs have time out for a leisurely lunch or dinner—or they may have their food served in their offices. But the Indian doesn't have enough rank for such service. He must grab a sandwich and cup of coffee on the fly in the cafeteria along Ulcer Gulch. He usually smokes two or three packages of cigarettes a day, works all hours of the day and night, and is on call at all times.

But in another ten years some of the Indians probably will be chiefs and there'll be other Indians getting things done.

Lutheran Group At Meeting And Picnic

The Loyal group of the Lutheran church held a meeting in the form of a family picnic and meeting Sunday afternoon in the Zentz meadow along Tom's Creek with about 35 members and guests present. Clarence Hahn presided at the business meeting when it was decided to offer to take part in the "Krazy Days" show being sponsored by the Chamber of Commerce in connection with Old Home Week. And a committee was appointed to try to work out the plans to enter a float in the Homecoming celebration parade August 30. One new member, Mrs.

Mary Rohrbaugh, was voted into the group. Games were played and refreshments, including watermelon, were served.

Mrs. Mary A. Coyne and her sister, Mrs. Catherine W. Carpenter, Taneytown; Mrs. Nettie Flanagan, of Gibson Island, Md.; Judge and Mrs. Arthur P. Owens of Hyattsville, Md., and Admiral and Mrs. Frederick D. Kime of Fanwood, N. J., visited at the home of Col. and Mrs. Thomas J. Frailey on Thursday.

Miss Sue Hays, daughter of Mr. and Mrs. James Hays is vacationing in New Jersey.

Miss Margaret Boyle of Baltimore visited with Mrs. Francis S. K. Matthews over the week-end.

Mr. and Mrs. Robert J. Koch of Milwaukee, Wisc., have announced the birth of a daughter, Wendy Sue, born Thursday, August 6, 1951. Mrs.

House Won't Restore Cut In School Aid

Harrisburg, Aug. 23 (AP)—The House refused Tuesday to go along with a Senate proposal to restore \$480,000 cut from a bill to aid distressed school districts in Pennsylvania.

The appropriation, originally fixed at \$750,000, was cut by the House Appropriation committee to \$270,000. The Senate last week restored the appropriation to its original figure.

The House decided, however, to refuse to accept the restoration action. It will now go back to the Senate to determine whether they will drop their move or remain firm. If they insist on their amendment, the figure will have to be thrashed out by a House-Senate conference committee.

The Senate restored the deficiency appropriation after some 200 school teachers in Schuylkill and Northumberland counties said they would not return to their schools in September unless they receive back school salaries.

Koch was the former Miss Ruth Hoke, daughter of Mrs. Charles Hoke of West Main street.

Miss Grace Rowe attended the Robertson family reunion at Pine Mar Sunday.

Mr. and Mrs. Wilbur Overholzer and Mr. and Mrs. Charles Harner and family, Philadelphia, and Miss Louise Adams, Washington, D. C., are visitors at the home of Mr. and Mrs. C. Felix Adams.

RED DRIVE IN GERMANY FAILS

Frankfurt, Germany, Aug. 23 (AP)—Communism's big propaganda drive has flopped in West Germany, U.S. High Commissioner John J. McCloy said Tuesday.

The Reds opened their full-scale assault last spring, McCloy said in his quarterly report to the State Department. They tried to scare West Germans away from joining Western defense and into a sell-out compromise with the East.

Instead, McCloy reported, German support for Western defense has increased, and the Communists' chief propaganda agencies have been thoroughly discredited, rejected and even outlawed by an aroused West German.

Allied Strength Helps
"It has become increasingly difficult to peddle recognizable Communist wares in Western Germany," McCloy concluded.

"West German determination to uncover and resist Communist subversion has matured appreciably. Even the basic play on fear of Soviet attack has worn thin with the excessive use and growing Allied strength."

Their militant, uniformed "Free

New Oxford—Mr. and Mrs. James L. Myers and children, James, Jr., and Melanie Ann, spent the past week on vacation at Ocean City, Md.

Emory F. Melhorn spent last week with Altoona relatives and friends.

Mr. and Mrs. Donald Groff and family have returned from their recent trip to the Lancaster area where they were guests of her sister, Mrs. Thomas Gladfelter, and family. Mrs. Groff and Mrs. Gladfelter were formerly the Misses Mary Catherine and Regina Moore.

Mrs. Marguerite Nearing was hostess during the week at a regular meeting of the local Garden club. Assisting her in entertaining was Miss Lillian Otto.

Michael Shaffer Miller, son of

German Youth" (PDJ) spearheaded the Communists' propaganda drive at its outset. They staged mass demonstrations and started riots in several cities. Printed propaganda flooded West Germany. Communist newspapers became increasingly savage in their attacks on the Western Allies.

But the West German government banned the PDJ and confiscated tons of Red propaganda, and the Allies suspended most of the Communist newspapers.

Mr. and Mrs. Wilton R. Miller, who became nine years old on August 12, was guest of honor at a surprise birthday party given him at his home by his parents, with the assistance of his sister and brother, Linda and Stephen. Children who attended were Fred, Jr., and Jimmy Klunk, Nicholas Ling, Jerome Bevenour, Michael and Rebecca Ann Brendle, Patrick O'Brien, Frederick Bevenour and Ray Bream.

Mr. and Mrs. John Seibert entertained the Friendship Circle of the Pines Lutheran church, New Chester, during the week at their home.

Persons from this area were among those spending Saturday at the Green Springs school grounds in the Pigeon Hills near here for the outing of the Green Springs Rod and Gun club.

Emory L. Hammar, who has been a patient for several weeks at the Hanover Hospital after meeting with an accident in which his skull was fractured, is recuperating at his home. He is improving satisfactorily.

The Rev. Daniel Ketterman, York, spent Sunday here where he was the New Oxford area; Mrs. Cletus

J. Billman, Mrs. J. Randolph Staub, Mrs. Joseph Hockensmith, Mrs. Charles Hockensmith and the Misses Mary Ann Hockensmith, Jane Bevenour, Shirley O'Brien and Colleen M. Mahone.

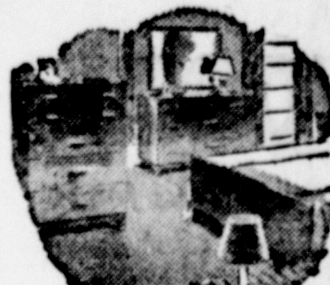

Miss Mary C. Miller, daughter of Charles F. Miller, Sr., who left last February to enter the order of Sisters, Adorers of the Precious Blood, at their convent at Columbia, has completed her period of postulancy and was among those to receive the habit of this sisterhood at recent ceremonies. A party of local relatives and friends witnessed the rites at the convent chapel.

STATE FARMERS
START TO USE
OLDER WORKERS

By BILL LOFTUS
Harrisburg, Aug. 23 (AP)—The state's farmers turned today to a new source of workers—older persons—to help ease the labor shortage.

The action comes after a series of conferences between farm group leaders with federal and state agricultural officers on how the shortage of workers could best be alleviated.

The final conference decided that the farmers would be instructed through their associations and cooperatives that older persons seem right now the best bet to fill the ranks of agricultural workers.

Federal officials reminded the agricultural groups' representatives that farmers have an outstanding record for utilizing the skills of persons over 50 in farm work.

The groups also heard that the federal agencies are having trouble convincing other industries that persons over 50 can perform useful services. The industries, the groups heard, are refusing to hire these persons as a result.

The only alternative farmers face to filling their ranks with older persons is investing in labor-saving machinery—but that represents an investment of money which some cannot afford to make, according to the government officials.

Study Cattle Diseases
Robert A. Power of West Chester, has succeeded J. S. Oberle as county agent of Chester county. Powers was former associate county agent.

Disease of beef and dairy cattle has been produced experimentally by scientists at Cornell university and Penn State college.

Considered an important step in tracing the cause for the strange disease known as hyperkeratosis, the findings were presented at a meeting

of U. S. scientists from 14 states at Cornell.

Symptoms noted in the artificially-produced disease included failure of appetite, depression, loss of condition, watering of the eyes, slobbering and progressive hardening and wrinkling of the skin due to the increased amounts of keratin.

Check Many Leads
One of the animals with such symptoms was taken to Cornell for the meeting.

Scientists said that a recent report from Germany indicated a wood-preservative was the cause of one outbreak of the disease in that country. They explained that this is typical of the many leads scientists in this country are checking.

Other states taking part beside Pennsylvania in the study are New York, Tennessee, Georgia, Nebraska, Texas, Michigan, Indiana, Colorado, Illinois, North Dakota, New Jersey, Alabama and Montana.

Millionaire Oil
Operator Is Slain

Dallas, Aug. 23 (AP)—Thomas W. Doswell, 55, a millionaire oil operator with successful holdings in West Texas and New Mexico, was shot to death on Monday. One shot from a .38 caliber snub-nose revolver entered his right chest as he sat in his car with his wife.

Mrs. Doswell told police she had taken the gun from the glove compartment of the car and was about to hand it to her husband when it fired. The gun had been wrapped in a towel. Shortly after the shooting, at a side entrance of the fashionable apartment hotel where the couple lived, Mrs. Doswell became hysterical and could not give complete details.

Mrs. Doswell told officers that she bought the gun Saturday, at Doswell's insistence, and took it with her when she went alone to Pueblo, Colo. Doswell later joined her in

for the entire day at nearby Harrisburg, as its hundreds of employees came by bus and auto for the picnic. Highlight of that outing was a beauty contest among women employees and a softball game.

Pueblo and together they went to Clayton, N. M. The shooting occurred just as the couple had returned from the trip.

Fabulous Spy Ring
Is Being Probed

Washington, Aug. 23 (AP)—Senate investigators promised Tuesday to explore fully a story that a Communist spy ring with some Americans in its ranks assured Moscow before Pearl Harbor that Japan would attack the United States.

Mitsusada Yoshikawa, director of special investigations for the Japanese attorney general, told the story in sworn testimony before the Senate subcommittee on internal security Monday.

Senator Ferguson (R-Mich.), a member, and Robert Morris, counsel to the group, said the entire matter will be gone into deeply at further hearings.

The case of the fabulous spy ring was first made public back in February, 1949, when the army released a 32,000-word report on the operation. Parts of that report were deleted for security reasons. It was written under Gen. Douglas MacArthur's decision. Almost immediately

EX-CADETS MAY
GO TO SOUTH BEND

South Bend, Ind., Aug. 23 (AP)—There's room under Notre Dame's golden dome for any or all of the 90 West Point cadets expelled recently—free if they can't pay—but there's no place for them on the Irish football field.

The Catholic university disclosed Tuesday that an unidentified "very wealthy man" had offered to send any of the cadets through Notre Dame if they avoid varsity athletics and show financial need. The man was termed a friend of young cadets and the university.

The Rev. John J. Cavanaugh, Notre Dame president, said the university after making the report public the army withdrew it.

donor does not condone violations of the academy's honor code in connection with cribbing on examination.

Father Cavanaugh quoted the man as saying that "in the American tradition a man who makes a mistake should have a reasonable chance to rehabilitate himself."

The university president estimated the annual cost for each student at about \$1,400.

The offer must be accepted by September 1. It specifies that none

of the cadets accepting may take part in Notre Dame athletics. The 99 cadets included most of Army's football team.

STORM FATAL TO THREE TUESDAY

Wilmington, Del., Aug. 23 (AP) — Two persons were killed Tuesday night in a brief but violent electrical storm that lashed parts of Delaware, Maryland, New Jersey and Pennsylvania.

Several store windows were shattered in Wilmington, which bore the brunt of the storm's violence. Trees were uprooted in the city.

The victims were Raimo Aro, 14, of near Wilmington, and Mrs. Emerson Van Sant, 54, Elmhurst, Del.

The Aro boy was killed when an electric wire severed by lightning fell on him as he rode his bicycle near his home.

Mrs. Van Sant was killed at the farm of her brother-in-law, C. P. Van Sant, near Elkton, Md. Lightning hit a tree sending it crashing onto the farmhouse. The woman died in the wreckage.

Parts of Philadelphia also felt the impact of the storm as streets were flooded and electric service disrupted briefly. Gusts of wind reached a velocity of 60 miles an hour.

Dewey's Fate Given Decisive Defeat

New York, Aug. 23 (AP) — W. Kingsland Macy's 25-year undisputed reign over Republican Suffolk county was at an end today.

The former congressman, foe of Gov. Thomas E. Dewey and friend of Sen. Robert A. Taft (R-Ohio), was defeated by a decisive margin in his bid in Tuesday's primary election to retain his Republican leadership in eastern Long Island.

The Suffolk county battle was the highlight of a primary election which had only one other major contest in the state. That was Carmine de Sapio's successful fight to retain control of New York county's Tammany Hall against opposition of Mayor Vincent R. Impellitteri.

De Sapio's machine, with only five leadership contests uncounted, held a 13-3 lead over the city-hall backed forces of Robert B. Blaikie.

The Taft-Hartley Act indicate some top labor leaders may be getting ready to throw their strength behind a Democratic presidential candidate again in 1952.

President William Green of the American Federation of Labor surprised some Republicans by linking an attack on the Taft-Hartley Act with an assertion in an Atlanta speech yesterday that Taft himself is "an organizer of communism in America."

Sponsored Strike Supports Dictator

Buenos Aires, Argentina, Aug. 23 (AP) — Five million members of the government's master labor organization laid down their tools Wednesday in a nationwide "strike" to demand that President Juan D. Peron and his blonde wife, Eva, rule Argentina for the next six years.

Hundreds of thousands of workers representing every major city and hamlet began converging on the capital three days ago for a mammoth demonstration today, sponsored by the government-backed General Confederation of Labor (GET) the Peronista party and Mrs. Peron's Women's Peronista party.

The giant rally will be staged

along the 440-foot wide avenue nine de Julio (ninth of July), which stretches for a mile through the center of the business district. Hundreds of loudspeakers have been put up and the government-controlled radio stations will broadcast the event throughout the nation.

Property Transfers

Charles J. and Kathryn V. Wilkinson of Butler township have sold a tract of land in that township to Dale F. and Mary E. Wilkinson of Biglerville, according to a deed filed in the office of the register and recorder.

A deed has also been filed transferring title to a lot in Littlestown from Nevaeh A. Crouse, Cloy I. Crouse and Pauline S. Crouse, Lit-

tlestown, doing business as I. H. Crouse and Sons, to Clayton L. and Anna Mae Evans of Littlestown.

Another deed from R. Jane and A. E. Hutchison, Anna W. and John H. Basehore and Charles M. and Elsie Wible, Moorestown, N. J., to Frances Wible Kimes of Ardmore, Pa., transfers ownership of an acre of land in Cumberland township.

OPINION SPLIT ON FUNDS FOR CIVIL DEFENSE

By JAMES MARLOW

Washington, Aug. 23 (AP) — Early last January, when this country was in the dark and worried mood, Congress passed the Civil Defense act.

This act made possible a broad program of cooperation between the federal government and the states and cities in many fields, such as building air raid shelters, training people, setting up warning signals, and so on.

But that was the time when we were taking a pasting from the Communists in Korea and the country was jittery, not knowing what to expect next. The mood seems to have changed.

Called "Unrealistic" President Truman and Millard Caldwell, boss of Civil Defense, asked Congress for \$535,000,000 to carry on the program this next year. The House acted this week. It cut the amount requested \$469,745,000 by

voting only \$65,255,000 for the government's Civil Defense program.

The main reason given in the House: Caldwell's program is "unrealistic" and "we cannot provide all that is necessary for civil defense without too much strain on our resources."

Said Caldwell, still smarting from disappointment: "Civil defense x x x should be supported x x x or killed outright and we should quit harassing the public."

Cut Not Yet Final

This cut isn't final, of course, unless the Senate also approves. It hasn't started to consider the money for civil defense yet. But it will next week, when it listens to Caldwell and his aides.

No one expects the Senate to give Caldwell all he asked. We won't know the final figure until House and Senate finally get together and agree on some amount.

Of the \$65,255,000 voted by the House, about \$50,000,000 must be used for supplies in case of an air raid. Most of it will be medical supplies. Under the head of supplies Caldwell asked for \$200,000,000.

But since \$50,000,000 of the \$62,255,000 must go into supplies — if the House action is agreed to by the Senate — that will leave only leave

only \$15,000,000 for everything else in the government's Civil Defense program.

Up To States, Cities

On one item — planning and helping build bomb shelters — the House turned thumbs down altogether. It said that's a job for states and cities.

Caldwell, the day before the House voted, said not one city in the U. S. "has even approached the point where it could withstand an atomic attack now."

If he thought this would keep the House from knocking his plans to splinters he was mistaken.

Nor were two members of the House itself — Melvin Price of Illinois and Henry M. Jackson of Washington, both Democrats — able to sway the other Congressmen with sharp warnings.

Both are members of the Congressional Atomic Energy committee whose members get secret information from government agencies on Russia's atomic progress.

Fear False Security

Both spoke against the big cut in civil defense. Boiled down, this is what they said: "Russia is in the atomic business in a big way; they couldn't reveal the exact number of bombs Russia is believed to have

but they are 'bigger and more potent than previously believed'; and an atomic attack on this country is possible."

The National Civil Defense Advisory Council came to Caldwell's support. It's made up of three governors, three mayors, two newspaper publishers, and four distinguished citizens.

This week the council accused Congress and the Defense Department of showing "little concern" for the needs of civil defense and it said: A "token setup" might "do

Helicopters Seek Planes' Wreckage

Smyrna, Del., Aug. 23 (AP) — Helicopters try today to reach the almost inaccessible wreckage of two F-84 Thunderjets of the 148th Fighter-Interceptor squadron which crashed 15,000 feet over Smyrna.

Both pilots parachuted to safety yesterday. First Lieut. Reno Dal

more harm than good by giving a false sense of security to the people."

Maso of Allentown, Pa., broke a leg coming down in a nearby field. First Lieut. George Palovitch of Dover was unhurt.

The two aircraft from Dover Air Force base—each valued at more than \$200,000—fell into marsh land near Blackbird Creek at Taylor's Bridge. Scattered sections fell into the Delaware river.

Attempts to reach the marsh land by trucks and cars or on foot were unsuccessful.

A spokesman for the 148th said the men were on a routine training

25 Are Killed In Explosion — Fire

Singapore, Aug. 23 (AP) — The Shell Oil company reported today that 25 men were killed and three are still missing in the explosions and fire which ripped its tanker Dromus at Bukom island off Singapore Monday. Thirty were injured and hospitalized.

The tanker was rocked by two blasts, followed by the fire, as she was tied up at the wharf. Cause of the explosions was not yet determined.

After World War II there were about 20 per cent more active business units than before the war, according to a report by the 20th Century Fund.

Company officials said earlier some of the men aboard the 11,000-ton tanker were trapped in flaming cabins.

The tanker was rocked by two blasts, followed by the fire, as she was tied up at the wharf. Cause of the explosions was not yet determined.

MODEL TANK RUNS WILD

London, Aug. 23 (AP) — Alan Tamplin built a 280-pound radio-controlled model tank and turned it on in the living room floor.

The tank, a four-foot-long squat monster of aluminum alloy and bronze, got out of control. It rumbled about the room smashing furniture, fusing lights and igniting Mrs. Tamplin half to death.

Inventor Tamplin was marooned on a table-top until the tank finally rolled to a stop in the wreckage. Tamplin brought the tank to London today for a demonstration of the model engineer's exhibition. He says he has the controls working properly now and it will lay a smoke-screen, fire three rounds of ammunition from its turret gun or squirt jets of water at any little boys he tries to tamper with it.

But Mrs. Tamplin still calls it that horror.

In 1950, Denmark imported more than 15,000,000 pounds of tobacco.

BEEF PRICES TO GO UP INSTEAD OF DOWNWARD

Washington, Aug. 23 (AP) — Beef price ceilings may go up a cent or two a pound on many cuts instead of being reduced a dime as the government had planned.

Meat industry officials got word of the contemplated price boosts from aides of price controls boss Michael V. DiSalle and expected to get further details today at a meeting with DiSalle himself.

Housewives probably will have to pay the penny or two extra a pound for beef round cuts. But ceilings on hamburger are likely to remain unchanged and some few price cuts on loin and rib cuts are expected.

General Boost Coming
But Office of Price Stabilization (OPS) officials made it clear to industry leaders at a meeting yesterday that there will be a general boost in beef prices. They said the higher prices are required under the new defense production act to compensate the industry for lagging cattle by-product yields.

The new law, under which mobilization officials have said living costs may go up five to eight per cent, requires ceilings to be fixed so that normal profit margins are preserved.

Officials said prices for cattle hides now are about 25 per cent below ceiling and tallow prices about 33 per cent under ceilings, so greater profits from beef are needed to preserve the industry's profit position. Tallow and hide ceilings are to be adjusted downward when the beef price boosts go into effect—probably in a month or two.

Doubt His Chances
Earlier this year DiSalle launched a beef price cutting program, involving a series of rollbacks, designed to lower beef prices by a dime-a-pound this autumn. The meat industry argued that this program would discourage beef production and Congress barred further beef price cuts.

President Truman is getting ready to ask Congress to give him tighter control powers against inflation, and to eliminate some of the features written into the new law only a few weeks ago. Elimination of the

normal profit requirement and restoration of the now-banned livestock slaughter quotas probably will be asked by Mr. Truman.

But congressional leaders have expressed doubt that the President can get anything more than the present law. The OPS decision to let beef prices rise a bit would seem to indicate the agency's hopes are none too bright either.

OPS officials reportedly told the meat industry group that they expect hearings on Mr. Truman's proposals to start next week.

Says Many Reds Have Been Fired

Washington, Aug. 23 (AP) — Vice President Barkley says the public "would be surprised if they knew the number of employees" dismissed from the government for Communist leanings or the suspicion of such leanings.

Speaking on NBC's television program "Meet the Press" Tuesday night, Barkley said all departments of the government have done a good job in weeding out disloyal persons. He said "undoubtedly" there have been Communists on the federal payroll.

In recent testimony before a Senate Appropriations subcommittee on his agency's request for funds, FBI Director J. Edgar Hoover said the bureau so far has checked the records of more than 3,000,000 federal workers for loyalty. Of that number, he testified, 304 were dismissed and 2,991 resigned while under investigation.

OVERLOADED BIKE

Louisville, Ky., Aug. 23 (AP)—James Augustus might have been charged with riding an overloaded bicycle. Police found the 21-year-old youth loading 100 pounds of scrap lead on his bicycle. The lead, worth about \$26, was taken from a printing firm where Augustus formerly worked. Augustus was charged with robbery.

CRASH KILLS 10

Belgrade, Yugoslavia, Aug. 23 (AP)—Ten persons were killed and 30 others injured Tuesday night in the crash of a speeding Belgrade passenger train which jumped the tracks enroute to the Hungarian border. The Belgrade newspaper Borba said the engine and five cars left the tracks.

Say Probe Ordered Of SEC By Committee

Washington, Aug. 23 (AP) — An investigation reportedly has been ordered by a House committee into operations of the Securities and Exchange Commission (SEC), the agency which supervises the nation's financial markets.

No official announcement was made, but members of the Commerce committee said the step was agreed upon at a closed meeting yesterday and that a seven-man subcommittee was set up to handle the inquiry.

Rep. Walter (D-Pa.) said earlier in the week the staff of a judiciary subcommittee he heads had recommended a study of the SEC's relations with the United Corporation, a utility holding company.

The five SEC commissioners denied any irregularity and said they would welcome an investigation.

GETS HOUSE OK

Harrisburg, Aug. 22 (AP) — A bill boosting minimum weekly jobless benefit payments from \$8 to \$10 and the maximum from \$25 to \$30 has won approval of the Senate Labor

and Industry committee. The measure, already passed by the House, will go to the Senate floor for debate and a vote after the General Assembly reconvenes Sept. 17. It also increases the maximum benefit weeks for unemployment compensation from 24 to 26 weeks.
